CONNECTING GOLFERS, GAMERS, AND FANS TO THE FUTURE OF GOLF

E6 CONNECT is the highest-quality, most lifelike and customizable golf software ever created. Use it with launch monitors to teach or train on the driving range, to compete in leagues and online events at a commercial facility, or just play fun games at home with friends and family.

E6 CONNECT features stunning 4k graphics and more flexibility, customization and control than ever before. What makes our new generation of golf software truly revolutionary is its massive network designed to connect golfers around the world, from private peer-to-peer play to custom to global tournaments.

### ENHANCED PHYSICS

E6 CONNECT has the most realistic and comprehensive ball flight model available that has been developed over 30 years.

### REBUILT 3D COURSES

The world-class course library inside of E6 has been entirely rebuilt. Our team of artists and programmers have completely rebuilt and recreated our 3D courses.

### IMPROVED GRAPHICS

The standard for beauty has now been upgraded to 4K.

### PEER-TO-PEER CONNECTIVITY

CONNECT makes it possible for players to play head-to-head in real time.

### SKILL CHALLENGES

CONNECT partnered with Mike Malaska, 2011 PGA Teacher of the Year, to develop games and skill building exercises.

### GOLF CONNECTED

Now, owners can play against golfers around the world in real time, with peer-to-peer functionality—one source, every platform. Additionally, users can post their shot history to any course they play—leaving their mark for new golfers to play against in the future. This archived telemetry ensures users will always have someone to play against.

## MORE FEATURES

It is not just the look and feel of E6 Golf that is unmatched by competitors, no other software is as feature rich or comprehensive.

E6 Connect Golf features a whole range of MULTIPLE PRACTICE options, including:

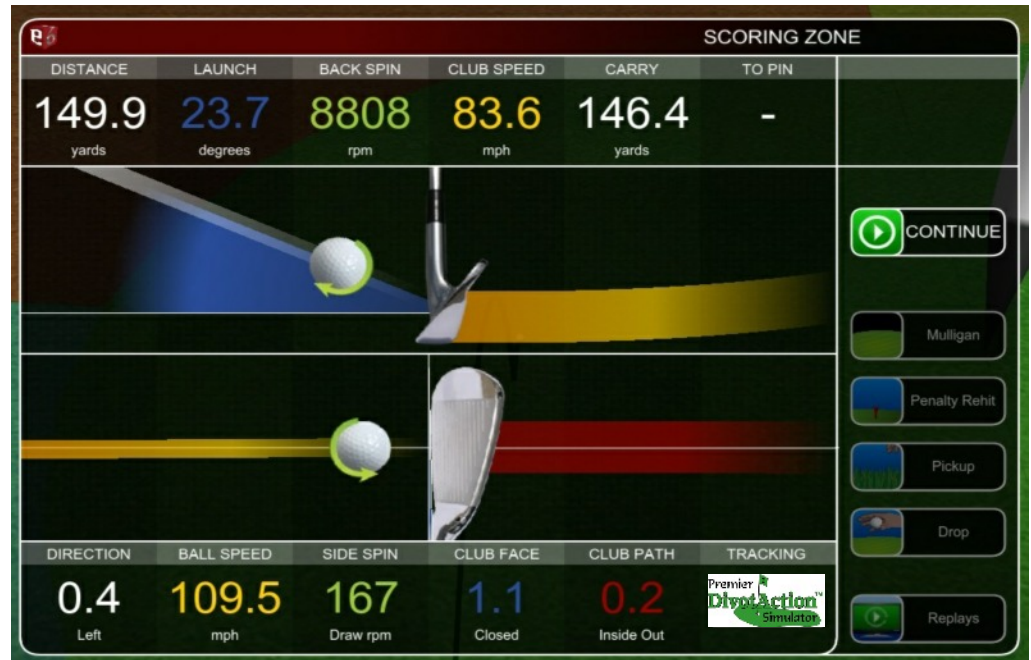

General and Pin Placement Driving Ranges, Target Practice, Chipping Area, and Putting Area.

After every swing, E6 Golf analyzes your swing and gives you the important graphical information about your swing, with the accuracy and reliability you expect including:

### Post Shot Screen

#### Post Shot Data Screen Provides The Following

- + Launch Angle
- + Ball Speed
- + Club Speed
- + Club Face Angle
- + Club Path
- + Side Spin
- + Back Spin
- + Distance

**TIME OF DAY CONDITIONS, AND MORE** - Morning, Afternoon, Evening, Clear, Partly Cloudy, Cloudy, Overcast, Course hardness & speed, Wind Settings, & even more.

**TEE-BOXES** - Championship, Pro, Amateur, Ladies, and Junior.

**JOINT PLAY RH and LH Ready** - Everyone picks their own tee-box.

**HOW MANY PLAYERS PER ROUND?** - Our system can handle up to eight players per round.

## COURSE ELEVATION AND PRACTICE ELEVATION SETTINGS

### IN-GAME PRACTICE MODES

Are you trying to perfect a tee-shot?

Are you having trouble with a specific approach shot?

You can set up, practice, and take as many swings as you need during game-play, without delaying play for anyone behind you.

**“GIMMIE” DISTANCES AND AUTOMATIC SCORING** - Looking to only work on tee-shots, irons, and wedges? E6 Golf allows players to use the computer to score putts automatically, based on “Gimmie” distances that you choose, computer predicted probability putting, full putt out, and more.

**BOOST FEATURE** - Allows system tuning to player skill levels and club distances.
